# DealerAide

A practical and affordable compliance solution

that satisfies the Safeguards, Red Flags and Disposal Rule requirements  
– in one convenient package.

**DealerAide NPI Complete** provides everything you need to satisfy the federal requisites for handling customer NPI (nonpublic personal information).

- Template-based – you provide the information, we create your program
- Easy to install and maintain – minimal disruption to workflow
- Free employee orientation
- On-site implementation available – call for details

**Only \$845**  
\$650 with AFIP Industry Member Discount

## How It Works

1. Order DealerAide NPI Complete. Your confirmation email will contain a link to the information forms you need to fill out so we can generate your custom programs.
2. Complete and submit the online information forms for each program.
3. You'll receive:
  - A binder with your printed, customized Safeguards, Red Flags and Disposal Rule programs
  - A 1-hour conference call staff orientation session  
*(additional new employee training provided free of charge)*
  - Red Flags Rule tools to help verify customer identity
  - Red Flags Rule sign to thwart identity theft
  - Secure Document Area signs that support your Safeguards Rule program
  - An email with your program files so you can update them as needed
  - A thumb drive with program installation video

**Also Available Separately**

**Send identity thieves next door!**

5" x 7" Desk Signs and 8" x 10-1/2" Wall Signs

\$25.95 each

Don't get caught short!
